- S5PBA is a registered Non-Profit Corporation in the Province of Saskatchewan.
- S5PBA is a Member Organization of the Bowling Federation of Saskatchewan.

- S5PBA is the governing body of 5 Pin bowling in Saskatchewan.
- Membership in the S5PBA consists of local associations throughout the province.
- All bowlers wanting to participate in S5PBA tournaments and/or awards programs must have a valid membership card.
- The Province is divided into 8 zones for membership and tournaments, except for the Open which uses 5 zones.
- S5PBA hosts 5 provincial tournaments each year:
  - (1) The Open is a scratch (total pinfall) event that starts with the 5 zones holding their qualifying rounds. From here a Ladies Team (6 Ladies plus coach), a Mens Team (6 Men plus coach) and a Mixed Team (3 Ladies and 3 Men plus coach) will advance to the Provincial tournament. The winners at the Provincial tournament will represent Saskatchewan at the National Championships.
  - (2) Rising Stars is designed as a stepping stone to the Open. Bowlers with a 220 or less average in each of the 8 zones will compete in a scratch (total pinfall) playoff to form two – 4 player teams to represent them at Provincials. Winners at the Provincials will advance to the Inter-Provincial Championships but because the Rising Stars is unique to Saskatchewan, the National final uses a Pins Over Average format.
  - (3) Fun Bowl – to enter the Fun Bowl your average must be 190 and under and this is a POA (pins over average) event in each of the 8 zones. Each zone will qualify two – 4 player teams to take part in the Provincials. The winning team at the Provincials will advance to the Inter-Provincial Championships where they will be competing in a POA tournament.
  - (4) The High-Low Doubles starts in league and runs for 4 weeks. Two player teams are formed by pairing the highest average bowler in the league with the lowest average bowler in the league until all the players are matched up. Any teams that have beat or tied their total combined averages for the 4 weeks will advance to a house playoff and the winning team from EACH HOUSE will advance to the Provincial Championship.
  - (5) The Youth Challenge is a scratch (total pinfall) event for anybody that is 12 years old and not yet 19 years old as of December of the current season. All 8 zones are entitled to send a Girls, Boys and Mixed Team (all teams consist of 5 players plus a coach) to the Provincial finals. Team medals are presented at this level. The 3 Girls and 3 Boys with the highest pinfall will form the team that goes on to compete in the National Youth Challenge.
- S5PBA has awards programs for all skill levels:
  - (1) In league play there are pins awarded for games that are 100 pins over average for a single game or 150 pins over average for 3 games.

- (2) There are provincial record score awards at the end of each season for each male and female that are high in their average classification. These are also sent to the Canadian 5 Pin Bowlers' Association to see how we stand with the rest of Canada.
- (3) The Canadian 5 Pin Bowlers' Association also recognizes any perfect game thrown in our province.
- S5PBA is responsible for lane certification in our member centres
  - S5PBA is responsible for conducting Judge of Play and scorekeeper clinics.
