BOWL SASK POLICY SHEET

The following list is a set of policies and guidelines to assist you when trying to administrate events that are run by Bowl Canada or Bowl Sask. These events include all of the Youth Bowling and Club 55 programs, as well as the various Provincial and National tournaments that are conducted by Bowl Sask or Bowl Canada.

In order to be a member in good standing with Bowl Canada, a bowling centre must be a paid up member for the current year of Bowl Sask. This means that all dues including YBC chocolates, Provincial and National dues must be paid in full before your membership will be accepted or renewed for the upcoming year.

The current rates for these dues are as follows:

- * Bowl Canada dues \$ 37.00 per lane (due April 1)
- * Bowl Sask dues \$ 45.00 per lane (due April 1)
- * Bowl Sask Administration Fee \$ 75.00 per center
- * Bowl Sask Initiation Fee \$100.00 per center (1st year only)

Motion June 23-24, 2012 that Bowl Sask give a 50% discount on provincial lane bed dues on any new centre for the first year only, providing they have not been a member in the last five (5) years

ALL FEES ARE SUBJECT TO G.S.T..

ANY DUES OUTSTANDING will be assessed a penalty of \$5.00 per lane per month and membership will not be renewed until all outstanding amounts are paid in full.

The benefits of being a member of the Association are many:

- * Members have the opportunity to host events which builds bowling lineage in their centers.
- * Members have access to other bowling centers in order to exchange ideas and interact for mutual benefit.

Lineage is paid by Bowl Sask for the following Provincial Events:

- * YBC Provincial Championships 5 Pin & 10 Pin (National)
- * YBC Trio Provincial 5 Pin & 10 Pin
- * YBC Youth Doubles Provincial 5 Pin + 10 Pin (HiLo Doubles)
- * Club 55 Provincial Championships 5 Pin
- * Club 55 High Low Doubles 5 Pin (from entry fee)
- * Bowl Sask Cash Tournament 5 Pin (from entry fee)
- * Bowl Canada Cup Provincials 5 Pin + 10 Pin

All lineage for the above is paid at \$5.00 (GST inc.) per line for Adult, Club 55 and YBC

This rate also applies to Sask 5, Sask 10 and MBAS events.

Management responsibilities and general procedures

The bowling center management has several responsibilities as a Bowl Sask member. Attend Annual, Member and Semi-Annual meetings if possible. Bidding on the provincial event happens at the Semi-Annual Meeting and a representative of the bowling center must be in attendance or send a written request. A pre-hosting report must be presented or sent to the Annual meeting or the tournament shall be re-allocated.

If more than one center bids on an event, consideration is given to the last time the center hosted the event. Northern centers vote for the North, Southern for the South. Number of lanes required and location of the center have a direct bearing on an event. Several events such as the YBC Trio, YBC Youth Doubles are generally hosted by smaller centers unless no small centres bid on them. Bowl Canada Cup, Club 55 events and YBC Provincials are usually rotated north and south and must be held in large centers.

It is the responsibility of each bowling center to notify your bowlers of dates, locations and times for various Bowl Sask/YBC events as indicated on the entry forms which are distributed during the season.

The Bowl Sask Management manual is posted on the website to eliminate postage costs. All expense claim and tournament entry forms are also available on the website and are emailed to the individual centres.

Conduct Rule to be read prior to start of the event

By bowling here today, all of the competitors agree to conduct themselves in a manner which will be a credit to the sport of bowling. Foul language, bad temper and any display of poor or unsportsmanlike conduct will not be tolerated.

The penalty for conduct violation is a fifteen (15) point deduction of score for the first offence and disqualification from the event for the second infraction. A disqualification during a Bowl Sask event may result in a one (1) year suspension.

Dress Code

There is no dress code but we strongly recommend that the participants are dressed uniformly and appropriately for the event. Proper dress does not include head gear (except for religious or cultural beliefs), or worn/torn pants.

For those individuals in charge of a team participating at any Bowl Sask or Sask. YBC event - the following is a brief check list to ensure you are informed and that you have the necessary information to pass on to your athletes.

Each coach/chaperone must have passed their Respect in Sport course and have a valid Police check which must be registered with the Bowling Federation of Saskatchewan.

UNIFORMS

There is no dress code but we strongly recommend that the participants are dressed uniformly and appropriately for the event. Proper dress does not include head gear (except for religious or cultural beliefs) or worn/torn pants.

TOURNAMENT INFORMATION

- Average sheets are required to confirm averages for P.O.A. tournaments such as Club 55 Hi-Lo Doubles, Club 55 Nationals, YBC Youth Doubles, YBC Trio Challenge
Note: If a bowler bowls in more than one league all league sheets must be presented.
- Tournament times, location and formats - be certain that all of this info is passed to the bowlers as well as to their parents in the case of YBC events.
- Levels of the competition - House, Zone, Provincial ??
- Travel arrangements - how is the team getting to the event? Is there re-imburement for travel? If travel has been arranged for a number of teams it is usually mandatory that the bowlers travel with the rest of the group.
- Meals - will it be necessary to have a meal? Is the group eating together? Who is paying? Is there a banquet included? Are guests allowed at the meal?

- Awards - what type of award will be presented and when.

BOWL SASK DIRECT AFFILIATION POLICY

Saskatchewan Lotteries fund sporting organizations on several criteria, one of which is the total number of members participating in a sport. Bowling, as a whole has always had participating members who were not affiliated with one specific bowling organization or another who have been our Non Affiliated Bowlers. Sport funding is essential and benefits all bowling organizations within the province. The Saskatchewan Bowling Federation is the umbrella group by which funding is received and allocated to the various bowling organizations such as the M.B.A.S., The Sask 5 Pin, The YBC, The Club 55, the Canadian Ten Pin Federation, etc.

To obtain correct counts of our bowlers and increase our Grass Roots funding Bowl Sask started a direct affiliation system. They passed a motion that in order to receive travel funding for YBC and the Club 55, each center must 'direct affiliate' their bowlers that are not members of Sask 5 Pin, Sask 10 Pin, Club 55 and Sask YBC.

A \$ 1.00 per person is assessed and sent to Bowl Sask, which is then redistributed to the bowling centers. The system has increased funding dramatically over the past years, again benefiting everyone.

Bowl Sask requires a breakdown of all non-affiliated participants by age group and by male/female designation. List must also include names for non-affiliated bowlers.

Provincial registration fees for affiliated bowlers are as follows:

Club 55	\$1.00 per bowler
YBC	\$5.00 per bowler

BOWL SASK GUIDELINES FOR YBC PROGRAM

TRAVEL REIMBURSEMENT:

Reimbursement for YBC Events is contingent on adequate participation in the current years' chocolate campaign. In order to be eligible for travel rebate from Bowl Sask, the center must sell the minimum required per registered YBC member and have completed the direct affiliation requirements.

All travel invoices must be sent in within 30 days of the event for which assistance is being requested.

National YBC pays a rebate or commission per box of chocolates sold.

Sask YBC pays an additional 7% for all centers that have finalized on time and paid in full, and sold the required amount per registered bowler.

Please take care to note the date in the Bowl Canada Management Manual and ensure that your campaign has concluded and finalized by the proper date.

This is very important if you wish to receive the additional 7% rebate from Sask YBC. Also note that your rebate from the National is also reduced if you have not finalized your campaign by the specified date. (See Bowl Canada Manual)

BOWL SASK HOSTING OBLIGATIONS

Centers must be represented at the Semi-Annual Meeting and must have participated in the event in the previous season in order to bid on hosting for the following year.

Please note that it is mandatory for the host center of a Provincial Event to have a report regarding the event at the Annual Meeting. The report should include: cost and location of banquet, lineage fees, shift times, accommodations available and contact name, address, phone and fax numbers.

If there is not a report present at the meeting, either in person or in writing, the event will be re-allocated to another center, selected from those present at the Annual Meeting

There are obligations for centers when they have been selected by the Provincial Association to host Zone or Provincial events. Often complaints are received at the Provincial Office because the host center failed to do something with regard to a particular tournament or event. Many times these complaints could be avoided with some forethought and consideration for competitors and spectators alike.

YBC 5 PIN TRIO PROVINCIAL

NORTH & SOUTH

Note: This IS NOT the Combo event mentioned in the Bowl Canada Management manual. The YBC Provincial Trio Event was designed as an exciting, economic, easy to run event wherein YBC bowlers of all skill levels could compete in a Provincial Competition. The events are usually run in smaller centers and usually in multiple shifts. The simplicity of transporting a whole team and coach in one vehicle added to the fact that the separate divisions compete in different centers, makes this a viable event for all centers. A program with more seniors may purchase more than one senior franchise, whereas a center with more bantams may prefer to buy more bantam franchises.

GENERAL RULES:

Open to all registered YBC bowlers who have an established average of fifteen (15) games or more.

A YBC Trio franchise will consist of any team of three (3) YBC bowlers within a specific division - 3 Bantams, 3 Juniors or 3 Seniors. Ex. 2 Bantam boys & 1 Bantam girl.

The cost of each YBC franchise is \$40.00 a team payable to the host center. Bowling centers may purchase one or more franchises in any division. Confirm spots ASAP (lane draws, etc.)

Centers may qualify their teams in one of several options as they wish:

- Opt. 1 RECOMMENDED - The YBC bowlers pick their own team and enter as such. Teams in each division would then roll-off to decide who advances.
- Opt. 2 Bowlers on each team are picked as a result of special achievements. Ex. Bowler of the week, etc. Program Directors would pick as many bowlers as needed to fill the franchise.
- Opt. 3 Program Director chooses only bowlers with lower averages who are unlikely to advance through 4 Steps.

Provincial Final is a four (4) game Pins Over Average competition with Gold, Silver and Bronze medals for the top three (3) teams in each division. (9 medals North & 9 South)

It is strongly recommended that teams change lanes and opposition each game.

Note that with an 8 lane draw if the teams move odd left - even right then the same teams play each other the third and fourth games.

- * Medals are presented on lanes at each of the host centers.
- * \$10.00 per diem meal allowances are issued to each bowler and coach/chaperone
- * Mileage allowance is paid by Sask YBC at \$.07 for each bowler and coach/chaperone (Pg. 3)

- * It is mandatory for each center to submit \$5.00/bowler to the host center to help offset the cost of lunch. Guest tickets are \$12.00 each.
