

Bowl Sask Members Meeting

Saturday, March 5, 2016 – 6 pm

Four Points by Sheraton Hotel

503 Cope Way, Saskatoon

Agenda

Roll Call

Introductions of Suppliers

Adoption of Minutes from the 2015 Annual General Meeting

Executive & Association Reports

President's Report

Shelley Baer

YBC Chairperson's Report

Derek Hlewka

Treasurer's Report

Mary Cunningham

S5PBA Report

Shona Stapleton – President

Bowling Fed of Sask Report

Rhonda Kurbis – Executive Director

S10PBA Report

Blaine Boyle – President

MBAS Report

Les Wardrop – President

Business Arising from the Minutes:

New Business:

Travel to Nationals in May

New Chocolate campaign

Canada Cup Tourny

Bantam ages

YBC Nationals - dress code changes, opening & closing ceremonies, yellow card infractions

YBC Provincials - banquet, national uniforms, any changes we would like to see

Cost sharing implemented between provinces

7% rebate to bowling centres

Incentive monies - \$50 gift cards

Bowl Sask for Cash Tournament

Good & Welfare

Adjournment

Next Semi Annual Meeting – Melville, June 18 & 19, 2016

Just a reminder that we moved the Members meeting from October to March 5th, 2016 so that the executive could get feedback from the members on the changes from Bowl Canada. In order to assist centers in attending we have allocated MAP funds to cover the cost of the hotel for Saturday night (the YBC Provincial is Sun Mar 6th) I will be distributing a claim form at the meeting, all you have to do is - pay your hotel bill, fill in the form and return it to me along with the hotel receipt, just hand it in at any one of the bowling centers hosting the provincial.

The hotel we are using is Four Points Sheraton 503 Cope Way Saskatoon, Sask. located at the south end of Clarence Avenue. Phone 306-933-9889 for reservations. Our Group Code is BLS and the Group Name is Bowl Sask. Rooms must be booked by Friday, Feb 12th. Cost of the room either One King or two Doubles is \$159.99 plus tax.

With all of the changes we have seen we really need everyone's opinion on how well things went or on how things could be improved. Please plan to attend. If you need more info on the location just give me a call 306-653-0840. Mary Cunningham

Bowl Sask Member's Meeting
March 5, 2016
Four Points Sheraton Hotel, Saskatoon

Shelley Baer called the meeting to order at 6:10 pm.
The roll call sheet was passed around the table.

Motion: Brian Andersen/Kyle Harre M/S that we adopt the minutes from the 2015 Annual General Meeting. **Carried**

Reports

President's Report – Shelley Baer – see attached pages

M/S Jeannette Cole/Blaine Boyle **Carried**

YBC Chairperson's Report – Derek Hlewka - gave a verbal report

Kyle Harre represented Bowl Sask/Sask YBC at the Bowl Canada Semi Annual meeting and reported on the highlights from this meeting – see attached pages

- travel equalization chart and details on how this system will work
- picture of new YBC awards “swag tags”

M/S Colleen Haider/Tim Zich **Carried**

Treasurer's Report – Mary Cunningham – see attached pages

M/S Kyle Harre/Jeanette Cole Bowl Sask current financial statements

Carried

M/S Carla Larson/Brian Andersen SK YBC current financial statements

Carried

There is possible Map Grant funding to cover the cost of police checks and coaching fees for Community courses.

Discussion was made that Bowl Canada should have one price for all programs under it's umbrella

Discussion was made on trying for the Senior Tax Credit for Fitness again; we have a new Sports Minister and a new Prime Minister

S5PBA Report – Shona Stapleton - gave a verbal report

Youth Challenge will be 12 – 18 year olds

M/S Randy Ostlund/Carla Larson **Carried**

Bowling Federation of SK Report – Rhonda Kurbis – see attached page

M/S Kyle Harre/Tim Zich **Carried**

S10PBA Report – Blaine Boyle – see attached page

M/S Carla Larson/Colleen Haider **Carried**

MBAS Report – Les Wardrop – see attached page

M/S Randy Ostlund/Colleen Haider **Carried**

New Business

Colleen Haider updated us on the items that were passed at the Bowl Canada Semi Annual Meeting.

- Knockdown Cancer Campaign will be discontinued
- Club 55 registration fee will be \$3.00

- Opening and Closing ceremonies for the YBC Nationals will be held in the hosting bowling centres in Calgary; bowlers must wear team attire
- Coaches at Nationals require police checks and are good for 2 years
- Dress code requirement that pants be worn for Opening and Closing Ceremonies has been removed as bowlers will be in their bowling uniform; dress shorts or skorts
- That we accept Purdy's Chocolatier proposal offering the 24 pack case of \$5 bars for the next 2 years
- YBC National Fund prize incentive be discontinued for 2016-17
- YBC National Fund Profit be revised as follows:
- Bowl Canada retain \$30,000 off the top to maintain contributions to:
- YBC printing \$10,000
- YBC awards \$10,000
- Annual Conference \$10,000

The remaining funds to be divided as follows (% based on net sales):

League rebate 18%

Provincial rebate 28.8%

National YBC 11.2%

That Bowl Canada's portion of the National Fund distribution breakdown be allocated as follows:

National YBC 5.75

Bowling Awareness and Promotion 3.2

Marketing Fund 2.20

Travel to Nationals in May – in Kyle Harres' report

New Chocolate campaign – in Colleen Haiders' update

Canada Cup Tourny – Colleen Haider explained she puts all of her bowlers in and the top half qualify to bowl in the roll offs; she charges \$25/team plus lineage. Derek Hlewka charges \$17/bowler. They both make money during the qualifying round from the bar/food/confectionary sales. Some centres think the cost of purchasing a second team should be lower which would give more incentive to have more teams participate.

YBC Nationals – dress code, opening & closing ceremonies – in Colleen Haiders' update

Yellow card infractions – A YBC bowler can receive a card for swearing, bad behavior, lofting the balls, etc. If the bowler gets 2 cards for the same infractions, they can get disqualified.

YBC Provincials – Let us know of any changes you would like to see during the banquet or with the national uniforms.

Cost sharing implemented between provinces – in Kyle Harres' report

Incentive monies – in Colleen Haiders' update

Bowl Sask for Cash Tournament – Randy Ostlund talked about maybe this tournament needs to be revamped; the same bowlers are coming out and it is not expanding. Possibly making it a handicapped tournament (POA) and dropping the entry fees; we don't do enough to promote the sport to the average bowler. **Please bring any ideas you have about this tournament to the June meeting.**

The Team Cup bowls 5 games and will start at 11 am. The Club 55 will start at 11 am

Good and Welfare

Shelley passed around towels that Randy Ostlund does at the Melville Bowl Arena. Derek wants input for the under 8 year old YBC members – what can we do for them because they don't go to Nationals.

Please forward any thoughts to Shelley and Derek that you would like to be brought up at the National meeting in June, before our meeting.

Randy Ostlund adjourned the meeting at 8:45 pm.

Next meeting, Semi Annual, in Melville on June 18 & 19, 2016.

2016 Bowl Sask President's Report March 5th-Saskatoon

Greetings All. I want to thank you all for being here. As you know we have never held this particular meeting this late before and there is lots to talk about. Bowl Canada is taking giant leaps in changing not only the structure of the programs but the face of our associations as a whole. It is so important for us on this executive to be proactive in communicating these changes to our members. No longer getting the vote does not mean we can't actively talk about Saskatchewan's wants and needs. I have been on this executive for several years now. In my opinion and my opinion only, I feel we went from not being able to get any changes done in a timely manner, to actually maybe making too many changes in such a short period.

We are fortunate to have a national executive member Colleen Haider and past president Kyle Harre here today. I look forward to hearing their perspective on the semi annual meetings we just attended in January. Derek was unable to attend so Kyle was our representative at the YBC meetings. He gave our executive a report after he returned and I have asked him to give a brief summary to all of us.

Lets talk about what's new and exciting! 1st - The Bowl Canada Cup tournament. As of right now it has surpassed the revenues generated with our old national classified and it has just begun. Unfortunately there is still a lot of proprietors that have chosen to not run it or more likely have not understood how to run it. I have heard some great testimonials on how successful proprietors have been in generating revenues. Between the lineage and the food & beverages it has been a hit for some! This is something we have not seen with the national classified for years. This new format actually pays for itself. Not only that, the people get to pick their own teams, bowl with their friends, their

families, their own teams! How exciting this provincial will be.
2nd- Club 55 national competition is now a 4 player mixed format. This national will be combined with the Canada Cup and the 10 pin World Cup for one BIG National.

Club 55 has taken on some challenges in regards to what to do for this program to make it more successful. I would encourage all proprietors to come forward with suggestions if you have any great things that work that you would like to share. We are somewhat at a loss on how to get it to grow. The registration price has been increased for this upcoming year which also means there may be some funds available.

In closing I want you to know any recommends we have coming from this meeting will have to be submitted ahead to the executive to review. I would love to send our ideas forward. Lets have some great discussions!

Travel Equalization

REVISED Update 1/19/16

YK	8	Whitehorse		735.00	735.00	735.00

The following details how the new Travel Equalization system will work.
Subject to approval by the Board of Directors.

MECHANICS of System:

- First Instalment of National Fund Rebates will see provinces charged the budgeted avg seat cost (Yellow) x the number of bowlers & coaches (Green) in their contingent and reimbursed for the actual budgeted seat cost (Blue).....
Chocolate Rebate - Green box + Blue box
- Immediately following the Provincial Finals, provinces to ensure YBC has provincial results so rates can be updated based on actual gateway seats used with adjustments (plus or minus) being made to the next Chocolate Rebate issued.
- YBC to then advise provinces of subsidies available per gateway. Provinces to advise their parents of maximum subsidy they are eligible for.
- Ticket purchaser to provide receipts to National YBC in order to be eligible for subsidy provided.
- Where actual seat cost is lower than budgeted subsidy, only the actual cost (per receipts) will be provided.
- Where actual seat cost is higher than budgeted subsidy, only the budgeted subsidy will be provided and parent assumes the difference.

Considerations:

- For those who choose to drive, subsidy will be provided based on 30 cents per KM from home town to Host city, so long as it does not exceed cost of budgeted base airfare (no tax or service fees included)
- Provinces may block space for the contingent, but parents to have final say in arrangements
- Parental control relieves Provincial and National YBC from legal obligations and responsibility... therefore, provinces cannot require bowlers to travel with contingent

Result:

- With all provinces paying the same amount (average cost) per seat, the system becomes fairer and more affordable for all
- Provinces are not affected financially by a hosting schedule and can plan their budgets more effectively and consistently year over year
- National YBC is not required to rotate the event to less than ideal locations due to provincial finances
- National YBC has the ability to select hosting locations based on hosting ability and logistics without adversely affecting provincial budgets

BOWL SASK

I have attempted to estimate expenses but with two new tournaments my figures could be out considerably.

Balance Sheet: I have managed to replenish our term deposits - had to have YBC borrow until their Term Deposits matured - I will be using flex terms from now on so I can take out portions at any time. The Terms were increased by the amount of our profit from last year. Prepaid expenses include the exchange pins we have on hand. Accts. Receivable is so high because I have billed everyone for the 2016/17 season. This also accounts for the deferred revenue amount and the high GST Payable. Accounts payable is \$813.00 in Prov Membership owed to YBC and \$93. in Direct Affiliation - still waiting on list of bowlers from two centers.

Income Statement: The Bowl Canada Cup will probably only see \$210.00 for the Club 55 portion as we did not have enough entries to get a rebate if my calculations are correct. Club 55 has 21 - 4-member teams entered and Bowl Canada Cup has 16 5-Pin teams and 4 10-pin teams. So I just realized that I forgot to include the expenses for Lineage for the 10-Pin teams which will add another \$360.00 to the cost. This makes the lineage total \$1500.00 not \$1150.00. Strangely enough this is the same amount that it cost us for National Classified last year.

For the Bowl Canada Cup Club 55 we will be fine as Club 55 receives the MAP Funds and that offsets all of the travel and lineage for this event with only 21 teams instead of the usual 40 - 3 player teams.

So barring any great errors in my calculations we should clear \$2300.00. One concern that I have is the drop in non-affiliated bowlers - I do not feel that they are being recorded properly and we need to address this as our grants thru the Federation depend on numbers.

Any questions?

Will someone please move my Current Financial statements as presented?

SASK YBC

Balance Sheet: I cashed in both \$10000.00 terms as I wasn't certain when I was going to receive the Chocolate Funds and I knew that we were to pay the mileage for the Nationals this week-end. I am happy to report that I deposited another \$44000.00 on Thursday so we are covered for all the expenses. The Terms that are listed on the Balance sheet are a \$10,000.00 one in the Royal Bank that secures our Visa and \$1900.00 which is the Bowling School profit from last year. Accts Receivable includes the \$813.00 from Bowl Sask and the \$5000.00 balance owing from MAP which we receive once all of the claims are sent in. Prepaid accounts are a supply of bowling bags for the National Contingents and a deposit on the Banquet hall for this week-end. Accounts Payable is very high as it includes Zone Singles and Team Travel as well as the Chocolate Rebates for the centers. Once everyone has sent me their Provincial Travel Claims I will send one cheque to cover all of the chocolate rebates plus travel claims less any charges for Composite Teams and less any charges for National Assessment (\$50.00 per bowler). I include an itemized statement with the cheque so they know the breakdown.

Income Statement: This year our grants total \$55000.00 with Club 55, the Bowling School and YBC. I would like to take this opportunity to thank Rhonda Kurbis for her diligence in getting us the maximum she can, we would not survive without them. Sask Sport would like to have all of the organizations have enough in savings to last a year - unfortunately with the change to National Travel we will be some years in recovering what we have lost. You will notice that paying mileage for the National in Calgary it only cost us \$12285.00 compared to the almost \$38000.00 for last year but the National has tacked on \$6000.00 due to the pro-rated expenses. Next year we will probably receive an extra \$6000.00 as the National is in Ottawa. The year it is going to cost us is in 2018 when we host as we will be assessed an extra \$14000.00 for the pro-rating and that is the year we would usually have been able to save a bunch. Hopefully we will profit \$10000.00 this year.

Take a few moments to look over the figures and if you have any questions?

Will someone please move my Current Financial statements as presented?

EXECUTIVE DIRECTOR'S REPORT
BOWL SASK MEETING
February 26th, 2016

Hello everyone and thank you for inviting me to attend your meeting. On behalf of the Bowling Federation I would like to commend all of you for your commitment to our sport.

Coaching/RIS: To clarify the RIS requirement on May 4th, 2013 the Federation created a deadline of October 31st, 2014 for existing coaches to complete the RIS. This deadline was approved by all Member Organizations. Thus if you do not have your RIS you are not eligible to coach. I want to thank Donna Seirferling for her tireless efforts in maintaining our coaching data base and her liaison with the CAS and CAC.

CSPBA Open Championships: City of Regina and Sask Sport Hosting grants have been completed and submitted. Rick Schafer and his committee are doing a fantastic job and I am looking forward to the event June 1st – 4th.

Police Checks: Recently I was asked to provide police checks for our volunteers to a National Organization. This violates the privacy act and an NSO who requires this information must contact the Federation. Do not send police checks to NSO's and contact me should you be asked.

Under Sask Sport guidelines the **Federation** will be updating and implementing a new Dispute Resolution Policy, Conflict of Interest Policy, Code of Conduct and an Appeal Policy. The New and updated policies will be posted on the web site once they have been passed by the Federation BOD. The Federation will be holding their budgeting meeting next weekend in Saskatoon.

Exceptional Needs: Shirley Bird made up an Operational Manual encompassing all Member Organizations events including: Dates, deadlines, tournament formats, contacts, and much more. She did a great job and we will be posting the manual on our web site in the fall. Shirley Bird, Les Wardrop, Shona Stapleton, Brian Andersen, Shelley Baer and I sit on the Exceptional Needs Committee. Should any of you need assistance at the local level please contact one of us and the committee will be happy to help.

John and Marlene Hoffman were inducted into the Regina Sports Hall of Fame. The ceremony was held October 8th, and was well attended by family, friends and supporters. Both have been hardworking and dedicated volunteers chairing tournaments and holding board positions at the local, zone and provincial levels.

The 2018 Saskatchewan Winter Games have been awarded to North Battleford.

Please support Sask Lotteries by buying Lottery Tickets and promoting Sask Lotteries.

Should any of you have any questions or require information please contact me.

Respectfully submitted,
Rhonda Kurbis

Sask Ten Pin Federation

Good day everyone:

First off I would like to say thank you to Allison Hunter and Ed Whitehead and their staff for helping us pull off another great CYC Provincial Tournament, Many off the matches came down to the wire with the last game deciding between who won Gold or Silver or Bronze. It made for a very exciting day for youth and parents as well.

As some of you might remember from the last meeting I eluded to something exciting on the horizon for ten pin, I can now tell you that CTF is running a trial in a house in Calgary with 10 pin string machines as of this point all is going extremely well. The CTF is one step closer to sanctioning string machines which will mean that any house will be able to run 10 pin sanctioned leagues with convertible 5/10 machines or straight string 10 pin machines. This would significantly reduce the cost tot a proprietor if they were interested in running a 10 pin league as well, as conversions are considerably cheaper than freefall ten pin machines.

We are heading into full blown tournament season and as it looks we have a great bunch of youth athletes out there to represent us so lets cheer them on and support them any way we can and bring home the medals.

Thank you for your time and have a great rest of the bowling season.

Respectfully submitted

Blaine Boyle

President Sask Ten Pin Federation

MBAS REPORT FOR BOWL SASK. MEETING
MARCH 5th 2016

Things are going good so far this season. We have had a 10% increase in our overall membership as well as a 10% increase in our tournament entries.

I suspect that our numbers will be down for our second tournament, but this is usually the case.

Through the tireless efforts of our technical director, Donna Seiferling, we managed to upgrade the third highest number, across Canada, of old Level II coaches to Competitive status, but due to empathy and procrastination we also lost a number of good coaches. Since the deadline to upgrade is past, those that chose not to upgrade are now considered untrained.

We are hosting the Masters Nationals in 2017, in Regina. We have our host committee set up and running and we are already meeting on a regular basis to ensure we put forth the best championships we can.

I thank you for your continued support of our organization.

MBAS President
Les Wardrop
