

December 19, 2020

Dear MBAS Members:

I attended a phone meeting today with Presidents of the other provincial Master Bowlers Associations and with uncertainty in this Covid-19 world and every province at this point under lockdown of some sort and not knowing when bowling qualification competitions can be held, the decision to cancel the 2021 Master Bowlers of Canada Nationals was made. An announcement will be posted to the MBAC website soon. The plan going forward at this point will be for Edmonton to host in 2022, Nfld. in 2023 and Manitoba in 2024.

We will follow the guidelines that are set for our sport and are keeping our fingers crossed that we still will be able to host our virtual Master/YBC competition; date for Provincial to be determined. As well, we will keep our members updated on plans for a maybe a "fun" competition if allowed in the future and information regarding our Semi-Annual Meeting which is normally held the 3rd weekend in March.

Please be safe and well. We wish you all a Happy Holiday Season.

Donna – Interim President of MBAS
