Canadian 5 and Saskatchewan 5 Pin Bowlers' Associations

EXECUTIVE HANDBOOK

The Canadian 5 Pin Bowlers' Association (C5PBA) Executive Handbook continues with the identity and role this 2017 - 18 in aiding the league executive to WORK TOGETHER AS A TEAM.

The manual's title was changed to the "EXECUTIVE HANDBOOK" in the 1985-86 season in recognition of the enormous workload fulfilled each season by our thousands of volunteer league secretaries. We hope this name change has helped to more equally divide amongst the league executive the responsibilities of administering a 5 Pin Bowling League.

While the manual was originally designed to assist all affiliated bowling leagues in the everyday running of their programs and tournaments; we hope to further improve your league's administration by promoting the idea that EVERYONE HAS A ROLE TO PLAY.

We congratulate you for your invaluable and tremendous contributions in the past; and extend our sincere appreciation for your continued support and promotion of 5 Pin Bowling. As our sport continues to grow in popularity, and becomes the "in" thing to do -- we wish you a successful 2016-17 season of "LIFE IN THE FAST LANE".

WHEN YOU NEED A HAND

It is not uncommon for bowlers to ask questions. It is not uncommon for league executive members to respond with answers. But when you don't have them at your finger tips and you need a hand or a little reassurance, who should you ask?

We suggest the following pattern be utilized:

- LEAGUE BOWLERS
- LEAGUE EXECUTIVE
- LOCAL ASSOCIATIONS
- PROVINCIAL ASSOCIATIONS
- C5PBA NATIONAL OFFICE
- C5PBA BOARD OF DIRECTORS

5 PIN BOWLERS HALL OF FAME

The Sport of 5 Pin Bowling is part of the Sports Hall of Fame at the Canadian Olympic Park in Calgary, Alberta.

Former O.5.P.B.A. Chief Executive Officer, Eric Whittaker and Hall of Fame Curator, Tom West, have concluded many hours of work and are pleased that 5 Pin Bowlers now have a permanent Hall of Fame.

Some of the memorabilia include an original loop, the loop ball rack, a pin bottom sander, photographs of Tommy Ryan, the founder of 5 Pin Bowling and various other items of interest.

Canadian 5 and Saskatchewan 5 Pin Bowlers' Associations

PERFECT GAME AWARDS

In order to qualify for the Perfect Game Awards listed below, a bowler must meet the following requirements:

- a. He/she must be a member of the Canadian 5 Pin Bowlers' Association.
- b. He/she must have bowled the Perfect "450" Single Game in either a SANCTIONED tournament or during regular league play (no pre-bowling).
- c. His/her score must be a SCRATCH score - no handicap included.
- d. He/she must have bowled the Perfect Game during the current 5 Pin Bowling Season (September 1st - to August 31st). Summer leagues which are recognized by the Provincial Association will also be eligible for the Perfect Game Awards.
- e. In order for a Perfect Game to be recognized, all C5PBA rules must be in effect.

At present, the Perfect Game Awards are:

1. Congratulatory letter with crest, pin & certificate from the President of the C5PBA.
2. Hoult-Hellewell Perfect Game Plaque.
3. One Perfect Game commemorative ball from the Canadian 5 Pin Bowlers' Association
4. Any additional award(s) as provided by the Provincial Association.

HOW TO REPORT THE PERFECT "450" SINGLE GAME

The League Secretary must report the Perfect "450" score to his/her Zone Awards Chairperson, and provide him/her with written documentation of the score (score sheet). The Zone Awards Chairperson will report the information to the Provincial Awards Chairperson who will contact the C5PBA National Office.

A formal presentation is made to the bowler at the discretion of the Provincial Association.

Remember: A Perfect Game is recognized only if the bowler is a member of the Canadian 5 Pin Bowlers' Association, and the C5PBA rules have been followed.

ATTENTION LEAGUE SECRETARIES AND STATISTICIANS

Just a friendly reminder to you that it is necessary that the YEAR END AVERAGES from year to year are NOT thrown out; but rather transferred to the bowler's NEW AVERAGE SHEET. This is necessary for many reasons * for example * to determine the bowler's year end average for some of our tournaments and for the Record Score Awards Program.

By keeping the year end averages of bowlers in your league, you will save yourself loads of work!

Canadian 5 and Saskatchewan 5 Pin Bowlers' Associations

RECORD SCORES

Because 90% of the Canadian 5 Pin Bowlers' Association membership is comprised of low to medium average bowlers, the C5PBA adopted a record score program to recognize bowlers when they excel beyond their established ability.

This program is used in several provinces; and already Zone and Provincial Records have been established. It is hoped that all provinces will eventually implement this program.

The League Secretary or Designate should complete a record score report form and include the HIGHEST score for these categories. These forms are to be sent to his/her Local Record Score Chairperson at the end of December and again at the end of the bowling season. The end of season report should include the highest scores for each category, whether or not they were previously submitted during the season.

From these reports your Local Record Score Chairperson will compile the highest scores submitted, and send these to the Provincial Record Score Chairperson. Once the highest scores are selected for the Province they will be submitted to the National Office for recognition. Any scores that beat the existing records are inserted in the All Time Record Scores.

Record Scores Format shall observe the following general rules:

1. Records are to be maintained at the Local, Provincial and National levels.
2. Records to be maintained in two (2) basic divisions: Individual Records and Team Records
3. League and tournament records to be maintained separately.
4. Individual records to be maintained in conjunction with the five average classifications.

	Men	Ladies
Class One	000 - 165	000 - 155
Class Two	166 - 185	156 - 175
Class Three	186 - 205	176 - 195
Class Four	206 - 225	196 - 215
Class Five	225 & Up	216 & Up

5. Averages used shall be the league average of the previous season or after twenty-one (21) games for new bowlers. Bowlers shall remain in the same average class for the full season.
6. Team Records shall comply to the following:
 - a) Separate records kept for Ladies, Men's and Mixed Teams
 - b) A team consists of a minimum of two players.
 - c) Same bowlers need not count each game.
 - d) A Mixed team score must include a minimum of one person of each gender.
 - e) Average classifications do not apply.
7. Scores to be recognized as records only at the end of each season.
8. Tournament records to be compiled according to individual tournament formats.
9. Single, triple, four and five game scores to be maintained in league records.
10. Triple, four and five game blocks must be bowled consecutively on the same day and include the first game bowled.
11. Master Bowlers' Association scores to be compared to Provincial and Canadian Open Records.
12. End of the year awards to be presented by Provincial Association at end of season for highest single and triple in each class for that season.
13. All C5PBA Tournaments are eligible for Record Scores Program at all rounds.
14. C5PBA Rules and Regulations must be observed. IE: certified lanes, foul lines

HIGH LOW DOUBLES 5-PIN BOWLING CHAMPIONSHIPS

REVISED JUNE/08

**S5PBA SANCTION
NO. S51718-013**

FORMAT

The High Low Doubles 5-Pin Bowling Championships consist of three (3) steps:

- I The League Round
- II The House Round
- III The Provincial Championships

GENERAL RULES

1. Open to all Canadian 5 Pin Bowlers' Association members nineteen (19) years of age and over as of December 31, 2017, EXCEPT where prohibited by law.
2. Entry fee shall be determined by the Provincial Association.
3. Each league using averages as of dates and criteria as set by your PROVINCIAL ASSOCIATION or two weeks prior to league round shall select their doubles teams as follows:
 - a. Highest average bowler in the league paired with the lowest average bowler.
 - b. Second highest average bowler in the league paired with the second lowest average bowler, and so on, until all of the bowlers have been paired.

EXAMPLE: 37 Bowlers in a League

Number bowlers #1 to #37 according to averages with the highest average bowler being #1
The #1 bowler (highest average) is paired with the #37 bowler (lowest average).

The #2 bowler is paired with the #36 bowler, and so on, which will leave the #19 bowler without a partner. This bowler shall be paired with the #18 bowler thus giving bowler #18 two (2) partners.

4. Bowlers who bowl regularly in two (2) or more leagues in the same centre, or who bowl in two (2) or more centres, may enter in each league or centre and compete in the League Round and House Finals in each league or centre, providing the scheduling of same permits, but shall only be permitted to bowl once in the Provincial Championships.
5. Only averages established under Official Rules of the Canadian 5-Pin Bowlers' Association shall be accepted.
6. This event is a doubles beat-your-average tournament.
7. FLAT SCORES shall be used in all rounds.
8. Replacement shall be allowed in all rounds (except the League Round).
9. A replacement team must be the next eligible team in order of finish from the preceding round.

Canadian 5 and Saskatchewan 5 Pin Bowlers' Associations

High Low Doubles (continued)

10. A replacement bowler must be the next eligible bowler in order of finish from the preceding round provided that the replacement bowler is from the same league and also of equal average rating as the bowler being replaced.

Equal average rating means the high average bowler on the team may only be replaced by the high average bowler from another team. This rule also applies for the low average bowler.

If the next eligible bowler is not from the same league as the bowler being replaced then revert back to each preceding round until the criteria is met.

11. If a bowler misses a game or games they shall be allowed 95% of their average for any games missed except at the Provincial Championships.
12. Scores and averages of winners in all rounds shall be authenticated and checked thoroughly. Any falsification or misrepresentation of scores or averages, knowingly or unknowingly, shall result in automatic disqualification.
13. Final results shall be officially checked and audited.
14. Personal bowling balls may be used if facilities permit. House balls must be used if the bowlers' personal bowling balls have not been returned (no delay of game). The use of personal bowling balls is at the bowlers' own risk.

Personal bowling balls may be randomly inspected at any time during the tournament or on completion of the tournament. Personal bowling balls must meet the specifications as set by the C5PBA. Weight to be not less than 3 lbs. 4 ounces and not greater than 3 lbs. 12 ounces. Diameter to be not less than 4 3/4 inches and not greater than 5 inches. (See C5PBA rule book - Section B, Rule 6)

Penalty: Any scores rolled using non-regulation equipment in sanctioned league or tournament competition, shall be disqualified for C5PBA Record or High Score Awards and/or shall nullify scores being used in qualifying for C5PBA sanctioned tournaments.

Should a question arise regarding the legality of a ball, the Tournament Director has final say. Appeals/complaints regarding personal bowling balls may be made following the procedure outlined in the C5PBA Rule Book (Section A, Rules 18 & 19)

15. Canadian 5-Pin Bowlers' Association rules shall apply in all rounds except in the League Round where league rules shall apply.
16. No mechanical noisemakers of any kind will be allowed at all levels of the competition.
17. In case of any dispute, the decision of the Provincial 5-Pin Bowlers' Association Tournament Committee shall be final.

Canadian 5 and Saskatchewan 5 Pin Bowlers' Associations

High Low Doubles (Continued)

LEAGUE ROUND

1. Doubles teams shall bowl the number of games normally bowled by that league in the four to six week period (as set by your Provincial Association) during regular league play between dates as set by your Local Association
2. PRE-BOWL SCORES MAY BE ACCEPTED in the League Round provided that the league allows pre-bowling.
3. Entrants must use their league average as of a date set by your PROVINCIAL ASSOCIATION or two weeks prior to league round, with a minimum of twelve (12) league games having been bowled.
4. Leagues with teams that play with a substitution format and carry extra members, may adjust the format so that all members are eligible to participate.
Example: The bowler that does not start the game would be considered the same as absent and would count 95% of their average. A player that starts the game but does not finish, would be given the final score of the game that they had started.
5. Spare bowlers are ineligible unless they can compete until the final week.
6. Teams shall bowl each of the four to six weeks (as set by your PROVINCIAL ASSOCIATION) using running scores. No team will be eliminated until the final week.

8. In the final week, the team with the most pins over or closest to its average in the four to six week period, shall be declared League Champions and advance to the next round.
9. In the event of a tie after the final week, the tied team beating its average by the most pins the final week shall receive the higher placing. If all teams fail to beat their average, the team tying or coming closest

HOUSE ROUND

1. All League Round qualifiers (doubles teams) shall bowl a minimum of three (3) games on or before January 31, 2018.
2. All bowlers who compete in the House Round must use their highest average (if a bowler bowls in more than one (1) league) as of December 31, 2017.

12. In the event of a tie for first (1) place a one game roll-off shall be required to determine the winner.
13. In the event of a tie for any other position, the team beating its average by the most pins in the last game shall receive the higher placing.
