Hello everyone and thank you for inviting me to attend your meeting. The move to the stadium is complete and I welcome everyone to come visit me. It is a wonderful place to work and sharing a work space with other sports is very supporting and cooperative.

**Federation:** We updated our Strategic Plan and we have been working on improving the web site to make it more user friendly and as always, any feedback on our website is welcomed and appreciated.

The Board of Directors allocated funding for the 2018/2019 fiscal year.

We will be implementing a Social Media policy at our October meeting.

**Financial:** As will be shown in the audit the Organization has another deficit year. There is enough money to sustain this organization for another two years. All the Member Organizations fundraise and this organization needs to look at ways of bringing in revenue.
